

Montagehandleiding
Verano plisségordijn

Belangrijk vóór het monteren

Waarschuwing

Als u het Verano® product zelf monteert, is dat voor uw eigen risico. Gebruik deze instructie slechts als een hulpmiddel en alleen bij montage van dit specifieke Verano® product. Mocht u er zelf niet uitkomen, dan kunt u altijd kiezen voor professionele montage. Het montageteam van uw Verano® dealer staat graag voor u klaar.

Pas op voor beschadigingen! Gebruik geen mes of ander scherp voorwerp bij het openen van de verpakking. De inhoud zou beschadigd kunnen raken. Leg de inhoud op een zachte ondergrond.

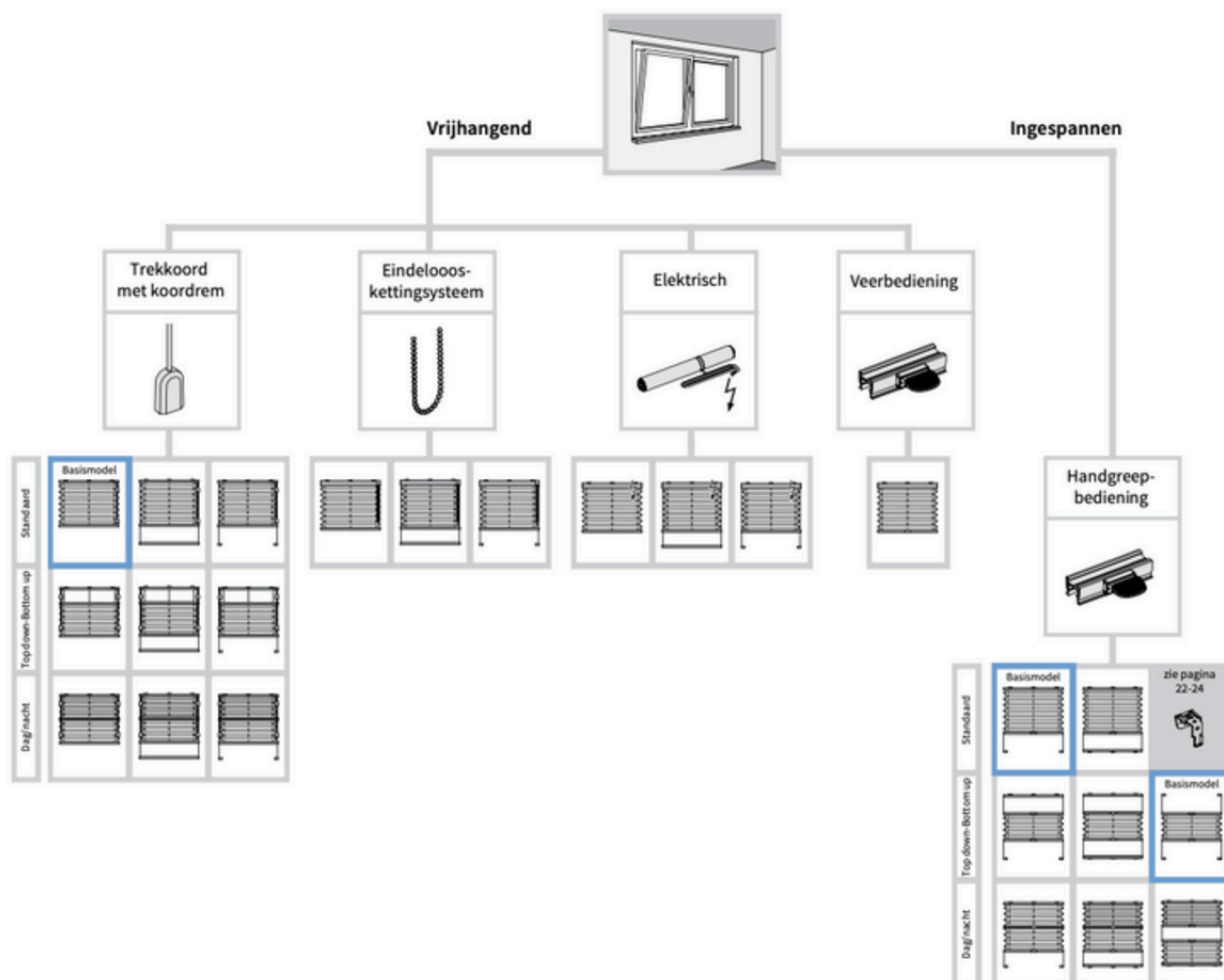

Pas op wanneer u gaat boren. Vallend boorgruis kan beschadigingen veroorzaken. Controleer of het kozijn of de gevel vlak is.

Schroeven voor de bevestiging zijn niet bijgesloten. Gebruik altijd schroeven en pluggen welke geschikt zijn voor de wand of het plafond waarop het lamelgordijn gemonteerd wordt!

Zorg voor voldoende ventilatieruimte tussen de plissé en het raam. Onvoldoende luchtcirculatie kan leiden tot condensatie. Schade aan het doek veroorzaakt door waterdruppels of vlekken van insecten vallen niet onder de garantie.
